

Food and Clothes Drive for Hurricane Victims

We all have heard about the flooding in the Gonaives area. Some of our Alumni have started a food and clothes drive for the victims of the TS Hannah. Quisqueya Christian School is one of the drop off points in the Delmas area.

Four years ago, our school collected 2 truck loads of clothing/food for the population of Gonaives. Can we do this again?

Join us in this service project.

We are looking for:

- ✓ non-perishable goods – rice, beans, canned goods, etc
- ✓ clothes
- ✓ blankets
- ✓ shoes
- ✓ anything and everything needed in an emergency crisis

Please go through your closets, and bring your items to our school.

You can leave your donations at the Snack Shop Area.

If you have questions, please call me 3-404-0294
